

## **MS ANGIE WEST**

Angie is a long-term Geraldton resident and joined the board in 2016. She grew up in Shark Bay and is a passionate advocate for all children having the opportunity to access the outdoors and experience opportunities for risk.

With over 20 years of experience in the Early Childhood sector - Angie also spent time working as an Inclusion support facilitator ensuring all environments were inclusive and welcoming to children with disabilities or other barriers such as language or culture. She continues to be passionate and motivated to make a difference in how parents and educators create an environment where children can become healthy, happy and resilient.

Angie's personal journey with one of her children being born with a physical disability allows her to empathise and relate to families and individuals experiencing the challenges in achieving inclusivity in our community.

Angie brings management and business skills to the board.
