

MS SHEENA BYRNE

Sheena was born in the UK and emigrated to Australia with her young family. In 1995, she settled in Geraldton. Sheena has an extensive background in Human Services and has worked with individuals, families and the wider community in a variety of roles encompassing Early Childhood, Child Protection, and most recently Disability Services Commission as Midwest Area Manager, for 8 years.

A recent transition to part time employment has afforded Sheena the time to pursue other interests, and she does so with a strong commitment to "making a difference" and advocating for equal opportunities for everyone.

Sheena is keen to bring her skills, knowledge and enthusiasm to the ATLAS board in order to support and promote access, inclusion and greater opportunities for people with disabilities in the wider community.
